THE QUEEN OF HOLLAND.

Her Condition Is Considered as Very Grave.

The Hague, May 5.—It was announced from Castle Loo at midnight Sunday night that Queen Wilhelmina had been prematurely confined at 6 o'clock Sunday evening. Prof. Rosenstein, Dr. Roessingh and the other doctors were in attendance. The queen suffered intense agony.

At 11 o'clock Sunday evening the condition of her majesty was described as critical, and small hope for her recovery was entertained.

London, May 5.—The tardy official admission of the real nature of the illness of the queen of Holland, which was announced April 17 from Amsterdam, may be regarded as an indication of a grave crisis in her majesty's condition and, coming so suddenly upon the bulletins announcing her imminent recovery, it will cause a shock throughout Europe.

Apart from the difficulties surrounding the question of the succession to the throne of Holland, the death of Queen Wilhelmina, if this should unhappily occur, would tend to convulse the continent politically. In Germany, especially, it is a matter of the deepest import. The German press claims that Prince Albrecht of Hohenzollern, the acting regent of Brunswick, is among the nearest in the Dutch succession, and in all the European capitals nervous apprehension exists that the absence of a direct heir to the Dutch throne might precipitate a struggle for the possession of Holland, which, in Berlin, is regarded as Germany's natural right.

A STATE FUNERAL.

Memorial Services Over Remains of Late Congressman Cummings.

Baltimore, May 3.—Congressman Amos J. Cummings, of New York, died at the Church home and infirmary in this city. The cause of death was pneumonia incident to an operation.

Washington, May 5.—In pursuance of the resolution adopted by the house Saturday, public memorial services were held over the remains of the late Representative Amos J. Cummings, of New York, in the hall of representatives Sunday afternoon. Only twice before in recent years has such an unusual honor been accorded to a deceased representative, those occasions being the state funerals of Representative John Kelly, of Pennsylvania, and Representative Nelson Dingley, of Maine. The exercises Sunday were very impressive. Almost the entire membership of the house and senate was present and the galleries were entirely inadequate to hold the thousands who went to the capitol seeking admission. Delegations from the department of New York G. A. R., Typographical Union No. 6, the New York Pilots' association and various letter carriers' associations were in attendance. The floral tributes were numerous and of the most exquisite character.

The remains of Mr. Cummings, accompanied by the committees of the two houses, were taken to New York Sunday night.

ARCHBISHOP CORRIGAN.

His Condition Is Dangerous and There Is Much Concern.

New York, May 5.—Dr. Keyes, who is in attendance on Archbishop Corrigan, announced Sunday night that his patient was still in a dangerous condition and that there was a possibility that he would be worse. There are no favorable indications and there is much concern over the archbishop's condition.

The news that the archbishop was worse came as a surprise Sunday night, for the statement given out earlier in the day was of a favorable nature. It is now known that his weakness is such that he is unable to retain any solid food. Absolute quiet is maintained in the sick chamber and every possible means is being resorted to in an effort to bring the patient around.

BAD HEAD-ON COLLISION.

Two Persons Killed and 45 Injured, Two Probably Fatally.

Connellsville, Pa., May 5.—Two were killed and 45 injured, two probably fatally, in a bad head-on collision between an emigrant train and a fast freight near Rockwood, on the Connellsville division of the Baltimore & Ohio railroad Sunday. The two trains dashed towards each other on a straight stretch of track and this fact alone averted what would have been the worst wreck in the history of the road.

Santo Domingo Surrendered. Jacmel, Hayti, May 5.—It is reported here that Santo Domingo, the capital of the Dominican republic, surrendered Saturday to the insurgent forces. President Jimenez, of the Dominican republic, is said to have taken refuge in the French consulate there.

New World's Record.

Portland, Ore., May 5.—H. W. Kerrigan has broken the world's record in an exhibition here. He established a new mark of 6 feet 2 3/5 inches in the running high dive, and cleared 13 feet 3 1/2 inches in the running long dive, adding 20 inches to the world's record.

Gen. Smith's Trial Ended.

Marila, May 5.—The trial by court-martial of Gen. Jacob H. Smith ended Saturday. The findings of the court will be forwarded to Washington. The general impression here is that he will be acquitted.

MORO FORT CAPTURED

Campaign Against Sultan Bayan Was Successful.

A Hand to Hand Struggle in Four Lines of Ditches—One American Officer and Several Eldest Men Were Killed.

Washington, May 5.—The war department Sunday received a cablegram from Gen. Chaffee indicating that the campaign against Sultan Bayan, one of the principal Moro chiefs, had been completely successful. The result was accomplished by a gallant assault upon the principal Moro fort and its capture after a number of the leading Moros had been killed. The cablegram, which was received Sunday afternoon, was as follows:

Adjutant General, Washington:

The following is the full substance of Brig. Gen. George W. Davis' message from Bayan: Eighty-four survivors Bayan surrendered unconditionally this morning at 7. Sultan Bayan, Raja Muda Bayan, Sultan Pandapan and all leading Dattos dead and many of their followers. Assault on the principal fort which surrendered last night one of the most gallant performances of American arms. Col. Frank D. Baldwin and his regiment deserve all praise for hand to hand struggle in four lines of ditches under walls of fort. These trenches are lined with Moro dead from rifle fire. Have never seen or heard of any performance excelling this gallantry and grit. It is my painful duty to report that the overthrow of Moro power was not accomplished without severe loss. One officer and seven enlisted men killed; four officers and 37 enlisted men wounded. Will telegraph the list later. After 84 survivors marched out this morning as prisoners, and was understood they were all, eight others who had concealed themselves in rubbish inside the fort, made a break for liberty, tried way out, but none succeeded. Some Moro wounded tried to stab soldiers trying to help them. It is impossible to state the number of Moros killed, many lying in tail grass.

The surrender saves us from siege and starving out. Impossible to have carried works without scaling ladders, which were ready. Intend to retain prisoners until two or three small adjacent forts occupied, then with your consent to retain as hostages eight or ten of the principals and release the others. The force in the line of advance consisted of four mountain guns, 470 rifles. This fully sufficient. Could not have used more men advantageously. Had we sent strong column it would only have swelled the casualty list. One neighboring Datta has already presented himself as friend and I expect a general coming in shortly, when the weight of blow is known. The dead sent to Maabang for burial. In light of present knowledge, could have besieged the principal forts and in time forced surrender, but that would probably have resulted in a sortie for freedom and escape for many. By attacking them, they have been completely crushed—the only kind of lesson these wild Moros seem to be able to profit by. Shall invite Sultan Tarlac to pay me a friendly visit, if he does not do so of his initiative. Has fort further east in plain sight and of same strength as was Bayan, on beautiful table land, thousand acres fine upland rice, and urges people to return to its cultivation. The result to follow this action very important, namely, it secures respect for United States authority in the center of Moro savagery. (Signed) CHAFFEE.

PETER J. OTEY.

The Congressman From the Sixth Virginia District Expired.

Washington, May 5.—Congressman Peter J. Otey, of the Sixth Virginia district, died in Lynchburg, his home, Sunday afternoon at half-past 3 o'clock. Word to this effect was received at the sergeant-at-arms' office of the house of representatives at an early hour Sunday night. Mr. Otey had been named as a member of the committee to accompany the remains of the late Congressman Cummings to New York Sunday night, but he notified the speaker that he was too ill to attend.

International Football.

London, May 5.—The international football match between England and Scotland, which, after the disaster at Glasgow April 5, was officially declared "no game," was replayed at Birmingham before 60,000 spectators, and resulted in a draw.

Adm. Schley on Lookout Mountain. Chattanooga, Tenn., May 5.—Adm. Schley spent three hours on Lookout mountain Sunday morning accompanied by Gen. Boynton, Col. Frank G. Smith, of the Chickamauga park commission, and members of the local entertainment committee.

Fifty Persons Perished.

Cairo, Egypt, May 5.—Fifty persons perished in a fire at Mit Gamti, a town on the right bank of the Damietta branch of the Nile. The flames were started by the intensely hot weather. Thousands of native residences and 200 stores were destroyed.

Twelve Thousand Jews Coming.

Vienna, May 5.—The Neu Freie Presse says that, as the result of systematic persecution, 3,000 Jewish families comprising 12,000 persons, will leave Roumania for the United States in a few days.

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Baltimore, Md., March 30, 1901. Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost for ever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AV2, CHICAGO, ILL.
